### [Managing Your Email Quota](#)

Ever wonder what the difference is between an email client and webmail? Are you frustrated with running out of space in your inbox? This article will walk you through how to manage your email, no matter what platform you use. [Check it out!](#)

## VOIP Gets Even Better

**Broadsoft Rollout:** Welcome Broadsoft, the newest addition to the Gorge Networks service offering family. Broadsoft is the global leader of VOIP communications systems, keeping us on the cutting edge of VOIP technology advancement so you receive the very best possible service: reliable, flexible, dynamic, and feature-rich. Broadsoft provides features such as selective acceptance and rejection, call forwarding, and work anywhere, so you can take care of business whether at home, the office, or the beach. We are currently delivering Broadsoft based solutions today; if you would like more information about this exciting new development please [contact us](#).

## Ultra High-Speed DSL

**Up to 100M:** Do you live in downtown Hood River or The Dalles? Have you called the [Sales](#) office yet to see if you qualify for DSL speeds up to 100M? Call now to learn about our blazing fast new internet speeds, and phone too ([residential](#) and [business](#) services available)! Call (541) 386-8300 ext. 301.

## Join our Team

Looking to be a part of a fun, supportive, responsible and local company committed to keeping employee engagement high? Check out our website for [current job listings](#), we're always looking for quality people who love the Gorge to join the force.

## Refer a Friend

**We've said it before:** Tell your friends about Gorge Networks and receive \$25 off your next month's bill when your friend signs up for service. Your friend will get a \$25 credit too!

## Business Customer Service

**Meet Business Support:** If you're a business owner and currently have service with us you'll want to know we have support staff dedicated to your business needs. Our Business Customer Service is trained and prepared specifically to support business-grade phone and data services, so take advantage of it! Our goal is to exceed your expectations. Their number is (541) 386-8300 ext. 306 or email them at [bussinesssupport@gorge.net](mailto:bussinesssupport@gorge.net).

## Out and About

**Around the Gorge:** This summer we sponsored events like Music in the Park - The Dalles and Families in the Park - Hood River, among others. We love participating in events that make our communities such a great place to live because we're committed to a sustainable future right here in the Gorge.
