

## Gorge Networks News Spring 2013

### Get the Speed You Need: Upgrade!

---

#### ***NEW Small Business Bundles***

Do you, or someone you know, own a small business in the Gorge? We are now offering 20M Broadband Internet plus Business phone service and long distance starting at \$109.95! Check out details [here](#) or call the Sales office to have an account review and see if one of the bundle options is a good fit for your business (541) 386-8300 ext. 401 - or email: [sales@gorge.net](mailto:sales@gorge.net).

#### ***DSL Upgrades!***

Our DSL service centers have recently been upgraded to support higher broadband speeds! Businesses and residences previously limited to 5M or 8M may now be eligible for up to 30M of service. Not sure if you qualify? Give us a call at (541) 386-8300 ext. 301 or send us a note at [sales@gorge.net](mailto:sales@gorge.net) and we'll check it out.

#### **Tech Tip: Managing Spam**

In this Tech Tip we'll give you some practical ways to reduce the amount of Spam you receive to your inbox, and help you identify unwanted malicious mail. [Read on!](#)

FREE!**

## Arlington, OR Wireless

We recently increased the broadband feed to our Arlington Airport wireless tower; this means customers in Arlington can now get up to 5M Broadband Internet (pending line of sight) and home phone service! Call us to get started or to [refer a friend](#): (541) 386-8300 ext. 301. You can also [send a note](#) and we'll get you the *Speed You Need!*

Did you know that if you have phone and/or internet service with Gorge Networks you automatically receive a FREE Gorge.net Classifieds Plus Account? This means you get unlimited postings to the Classifieds (except premium categories)! Check it out at: [classifieds.gorge.net](http://classifieds.gorge.net)
