Business Broadband Internet

Whether your business needs 5M or 1 Gig, DSL or Fiber, or anything in between; we have a solution for you. We cater to custom needs including multiple office locations, high upload, and difficult to reach geography. Contact us today to find out about flexible options in addition to those listed below, including ***broadband speeds up to 100M!***

Fast, Scalable, LOCAL Connections.

Gorge Networks never stops improving on the speed and reliability of our network. With multiple paths out of the Gorge and a newly installed fiber network to power the communities we live and work in, we believe that our internet service is truly the fastest, most reliable choice for business owners throughout the Columbia River Gorge.
