## The Cascade Locks Broadband Network

High-Speed Internet is now served by Gorge Networks in Cascade Locks. Since assuming ownership we have improved network infrastructure, internet speeds, and now offer customers premium support services 7 days a week. We have also deployed Fiber to a large part of the City. If you're looking for the fastest internet in town or entertainment content in Cascade Locks, we can help!

# Ripping Fast Internet

- ✓ Up to 100M Broadband Internet
- ✓ 3 Free @gorge.net Email Boxes
- ✓ Local Support

Voice Services also available in Cascade Locks
